ONE-DAY WORKSHOP FOR YEAR 9 AND YEAR 10

Nature and Careers

The workshop aims to reinforce young people's determination to protect and care for the planet in a range of careers.

- Indoor and outdoor activities
- Direct experience of nature through the senses
- Group project: community garden design task
- Analysis of the role of nature in a range of careers — not only green jobs!
- Conservation Foundation awards

“A truly wonderful experience... By the end of the day the students were pledging to take action for the common good and to be real stewards of creation. Highly recommended.”

Deputy Head, St Augustine's Priory

Exploring the power of the senses

What you can learn from nature

Uncovering principles of nature

How nature works and how we work with it

Finding harmony

Harmony in practice

Examining Nature in Careers

Sustainability, biomimicry and design

Meeting a design brief

The Community Garden project

Reflecting on our place in nature

Inspiring care for the environment
